

## SMILE ANALYSIS

When I see a picture of myself the first thing I notice about my smile is \_\_\_\_\_

---

Something I often notice about other smiles I consider attractive is \_\_\_\_\_

---

Please mark an **X** by any statement you agree with.

\_\_\_\_\_ Because I am not totally pleased with my smile I sometimes hesitate to smile.

\_\_\_\_\_ I have often wished I could change some the features of my smile.

\_\_\_\_\_ I wish the color of my teeth were whiter.

\_\_\_\_\_ I think some of my teeth are too small.

\_\_\_\_\_ I think some of my teeth are too large.

\_\_\_\_\_ I wish my teeth were straighter.

\_\_\_\_\_ I think my gums show too much when I smile.

\_\_\_\_\_ I think my smile shows too much space between some of my teeth.

\_\_\_\_\_ Concerns over what the end result might look like have been a factor in me not having cosmetic dentistry in my own mouth.

\_\_\_\_\_ Concerns over fees have prevented me from taking advantage of some of the available options to enhance my smile.

\_\_\_\_\_ I feel as though I do not really know all of the options available to enhance my smile.
